

# General Functions

This chapter should cover general user functions

- [How To: Change your Password](#)
- [How To: Enable 2FA](#)
- [How To: Update SMS settings](#)

# How To: Change your Password

To access your user profile, click on your email address or  
On this page you can change your password.

The screenshot shows the MyChild user interface. At the top is a teal header with the MyChild logo (a bird icon) and the text 'MyChild'. Below the header is a navigation bar with links: Home, Patients, Tags, Floorplans (with a dropdown arrow), Reports (with a dropdown arrow), Admin (with a dropdown arrow), and Help (with a dropdown arrow). The main content area is divided into two panels. The left panel, titled 'Personal Details', contains several form fields: 'First Name:' with the value 'MyChild6', 'Last Name:' with the value 'Administrator', 'Auto-Logout Delay:' with a dropdown menu set to '0 seconds', 'Permission Level:' with the value 'SuperAdmin', 'Role:' with the value 'Nurse - Admin', and 'Pin:' with the value '4578'. A 'Save Details' button is at the bottom of this panel. The right panel, titled 'Alarm Notifications', contains three sections: 'Subscribe to System Alarm' with an unchecked checkbox and a 'Select System Alarms' dropdown; 'Subscribe to Patient Alarm' with an unchecked checkbox and a 'Select Patient Alarms' dropdown; and 'Subscribe to Device Alarm' with an unchecked checkbox and a 'Select Device Alarms' dropdown. A 'Save Alarm Notification Set' button is at the bottom of this panel. The footer of the page is a grey bar with the text '© 2023 - McRoberts Technologies | b'.

If you do not know your password, click the reset password button on the login page.
